The Winmark TDN Network – At a Glance

The TDN Network is a protected space for Tax Directors to share challenges, ideas, successes and passions in a 'non-sales' environment to encourage open dialogue.

The TDN Network is based on a peer-to-peer model, in which members learn from each other, benchmark, gain assurance and tap into the 'wisdom of the crowd'.

Members gain practical insights through in-depth case studies and impromptu reflections; from nightmare 'war stories' as well as award-winning initiatives.

Members have access to resources, toolkits, and insights coming out of network activity which is captured and archived for on-demand reference.

TDN Network members get insights and expertise from Network technical partners to help them challenge their advisors effectively and help frame the scope of advisory work.

FAQs

Profile & Career

Can Winmark help me build my profile?

Yes, Winmark can help you build your profile within the network and as a business leader. This usually involves a review of your current positioning and then growing your profile in a targeted way aligned to your career.

Meetings

Can I attend other network meetings?

Yes, we encourage our members to learn from members outside their network, so you are welcome to register for meetings that are organised for other networks. Network members are always given priority.

Team Value

How can I ensure the team get value straight away?

Membership often pays for its self in the first 48 hours. This is because of a rigorous and inclusive onboarding process. This includes a member induction pack, account names, what's coming up soon, and a walk through-session to ensure early traction and a smooth start.

Global Team

How can my global team access the benefits?

Two thirds of our events and training are online and each is recorded so your team can catch up at anytime. There is also a Member portal where they can access know-how 24/7. We run in-person meetings in many cities and if you would like more meetings in a city near you please do ask.

CPD

Can I earn CPD points by attending Winmark events?

Yes, every hour spent with Winmark is one CPD point. Winmark can provide recognised summary CPD certificates for you and members of your team. It is a great way to ensure our team stays current and trained.

Budget

I want to join but don't have budget, what can I do?

Our standard practice is to invoice at the start of the membership year. If this doesn't work for you, we can come up with a payment plan for you to split and delay payments where possible.

Next Steps - Your VIP Member Roadmap

Confirm you would like to join Winmark

- Let us know if you need help with internal sign-off
- Secure the onboarding call in your diary early.

Tick once done
